Course	Participants	Content
Community Coach Course	Suitable for beginner coaches, teachers, parents and Ulti-Mates coaches.	This course outlines introductory coaching information and basic ultimate techniques.
Development Coach Course	Suitable for coaches of Division 2 Club teams; University teams; and State age-group teams.	This course is a good introduction to skill progression as well as preparation and management of a team. The course is suitable for coaches aiming to further their knowledge and lead developing teams.
Advanced Coach Course	Suitable for coaches of Division 1 clubs; clubs competing internationally; and age-group national teams.	This course develops coach understanding of athlete and team preparation and management strategies for competitive environments.
High Performance Coach Course	Suitable for coaches of open-age national teams competing internationally.	This course develops leadership, research and innovation skills to meet the demands of challenging environments.
